HUSBAND USES RAZOR ON WIFE

Mrs. Milton Fisher Is in a Globe Hospital—Fisher Is in Jail.

Globe, Ariz., March 25.—Mrs. Milton Fisher is at the county hospital in a dying condition and her husband is lodged in the county jail with a shoulder blade broken. Such is the result of a family quarrel late last night, near the old Dominion smelter. About 8 o'clock Fisher went to his wife's room where she was staying with a neighbor and persuaded her to accompany him to his home. After they had reached his house he began quarreling with her, she said, and becoming enraged he drew a razor from his pocket and began slashing his wife. In trying to take the razor from him, Mrs. Fisher was badly cut about the hands and arms.

Weakened from the loss of blood and the struggle with her husband, Mrs. Fisher fell prostrated on the ground, after which Fisher struck her on the left side of the neck, about an inch below the ear with his razor, leaving a cut about three inches long and an inch deep.

Realizing what he had done Fisher ran and jumped headfirst in a well, landing 15 feet below. Neighbors hearing the wife's screams went to her rescue. Later Fisher was rescued from the well and taken to the sheriff's office, where a physician attended his wounds.

It is said that the family had been quarreling for some time and that Mrs. Fisher refused to live with her husband. They came to Globe a year ago from British Columbia.

It is reported at the hospital that Mrs. Fisher has a chance for recovery. Her husband is violently insane and is continuously praying to his wife's recovery.

MORE VOLUNTEERS FOR EL PASO CENSUS

East El Paso Contributes a List of Names to Help Get a Square Deal.

Proof that if there was to be a war with any country on the face of the earth and president Taft should call for volunteers, he would find enough willing recruits in El Paso to fill the ranks of an army that could send Sam Hill to Happy Hunting grounds and then some. It is given in the ready responses to calls for volunteer census takers. All will have to work like soldiers in the field, for it is trying work which is rewarded only by the knowledge that El Paso is to have "a square deal."

Walter Clayton, who divides his time between his administrative office and selling feed for hungry horsemen, has not only volunteered to take the census of the block in which he resides but will also procure the names of those living on the block in which his business house is located.

Each day a list is brought in giving the names of those who will push the work of securing a correct census of the city and the latest additions are from East El Paso, showing a number of hard workers, as follows:

SUES FOR DIVORCE AND CUSTODY OF CHILDREN

Guadalupe Roman Bauer has filed suit for divorce against Joseph F. Bauer in the 34th district court on the grounds of cruel treatment.

The plaintiff alleges that she and the defendant were married in El Paso in June, 1904, and lived together until Jan. 21, 1910. The plaintiff further asserts that there are two children, Louise, 2 years old, and Johnnie, 1 year old, of whom she seeks the custody.

She also requests that the defendant be compelled to pay her \$5 per week for the maintenance of herself and children until the divorce suit is decided. She also asks for a division of the community property, being a residence on lots 13-14, block 35, Magoffin addition.

Jennie Bauer, Juana Bauer, is the style of an ex parte action in the 34th district court by which John Bauer, the father, seeks to obtain the custody of his 15 year old daughter from Guadalupe Roman Bauer.

Washington, D. C., March 26.—C. W. Ogden, of San Antonio, by appointment yesterday visited president Taft at the white house regarding naming a successor to the late federal judge Bryant Ogden, said he was pleased with the interview, but refused to say whom he thought would obtain the office. It is believed here that J. G. McBrady will receive the appointment.

WOMEN'S WOES.

El Paso Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. L. Nichols 1220 Texas street, El Paso, Tex., says: "The results I received from the use of Doan's Kidney Pills were so satisfactory that it is impossible for me to praise them too highly. For a long time I was troubled by backache and was hardly ever free from a difficulty with the kidney secretions. Often sharp twinges darted through my kidneys and I was also distressed by headaches. Learning of Doan's Kidney Pills, I decided to try them and procured a box at Kelly & Pollard's drug store. They proved to be just what I required and in a short time completely cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

MORE RAIN FALLS AT CARLSBAD, N. M.

New Settlers Arrive and Commence Improvement on Ranches.

Carlsbad, N. M., March 25.—Another fine shower of rain fell in this section of the country which will assist, materially, the good resulting from first rains. The heaviest portion of the rain fell on the plains country, immediately east of Carlsbad, and extended in a southwesterly direction across the farming portion of the valley south of town, and as far west as the foothills. Its greatest benefit will be to the grass which is now getting a good start.

Capt. E. L. Bujac, chairman of the board of county commissioners, is spending a few days at his ranch in the mountains northwest of town.

Mr. and Mrs. Will Hicks have arrived in the city from San Francisco for a visit with the parents of the latter, Mr. and Mrs. S. T. Bittling.

Joseph Nash, of Oklahoma, has arrived in this city with a carload of household goods which he is placing in his new home on a 100 acre tract of land which he purchased from I. S. Osborne, southwest of the city. He also purchased a tract of land about 10 miles south of the city which will be farmed by his son. He is a practical farmer and will practice intensified farming on his new land.

T. S. Webb is erecting a five room home on the 150 acre farm which he purchased a short time ago, southeast of town. The superstructure is about complete and he expects to occupy it as soon as the plasterers and painters have their work completed. It is an alfalfa farm, a portion of which will be devoted to small fruits.

G. J. Meyer, of Pine Bluff, Ark., has commenced the improvement of his new farm south of town. He will plant it in alfalfa and alfalfa, which is a new crop to be planted with alfalfa in this section. It grows wild in the valley and when planted with alfalfa will doubtless produce one of the finest feed crops yet grown in this part of the country.
